

# PEAK 2010

## Peak 2010 Tent Requirement Form

As you will be aware, current safety and fire regulations will affect on the overall space available for camping in all of the sub camps. The move by Groups to camp in smaller but greater number of tents will also have a major impact upon the camping area. To enable us to plan to make the best utilisation of the space we have available, we would be grateful if you would complete the following form detailing the number and size of tents you intend bringing with you to Peak 2010.

Once we have collated all the information from the Troops and Units attending the camp, your sub camp leader will be able to give you details for the size of the camping area you have been allocated and what restrictions (if any) have been made.

TYPE OF TENT	SIZE	NUMBER OF TENTS
